Terry N. Renegar	Vice-Chairman	Present	
Benita Finney	Commissioner	Present	
Mark S. Jones	Commissioner	Present	
Richard B. Poindexter	Commissioner	Present	

2. Invocation

Commissioner Jones offered the Invocation.

3. Pledge of Allegiance - Chair Blakley led the Pledge of Allegiance.

4. Ethics & Conflicts Disclosure

County Attorney Ed Vogler stated: "Pursuant to NCGS 160A-86 and the Davie County Board of Commissioners Code of Ethics adopted December 2, 2019, I would ask each of you before you adopt the agenda if there is any actual, potential or perceived conflicts of interest with respect to any matter on the proposed agenda which will come before the Board for a vote at this meeting today. If so, please speak up and let the Board know at this time before the agenda is adopted." No Commissioner spoke. Vogler then stated, "It is therefore concluded that there are no actual, potential, or perceived conflicts of interest by any Board member."

5. Adopt Agenda

Commissioner Finney made the motion to adopt the amended agenda. Commissioner Jones seconded the motion. All were in favor, and the motion passed 5-0 (Blakley, Renegar, Finney, Jones, Poindexter).

6. Public Comment Period

There were 4 individuals sign up to speak during Public Comments (County Attorney, Ed Vogler, disclosed the rules and procedures for Public Comments:

1) William R Davie Volunteer Fire Department, Jason Keaton, Chief, spoke on behalf of the Fire Department in reference to the fire funding proposal slated to be discussed later in the meeting. Mr. Keaton feels the funding should be a standard across the board for each fire department. He is also concerned the Rescue Squad will receive more funding than the smaller fire departments.

2) Julie Whittaker - spoke about Mental Health resources in Davie County. Ms. Whittaker thanked the many departments for their collaboration to make the services more accessible for those with mental health needs in Davie County.

3) Farmington Fire Department - Chief Todd Naylor - spoke in reference to a letter he sent to the Board in December, 2021 about fire funding. Mr. Naylor stated the fire funding solution needs to be fair and equitable to meet operational and capital needs. He stated the models that were popular in the past for funding fire departments are no longer viable. He feels the County-wide service districts can be divided up in an equitable fashion. Naylor stated all fire departments have same needs as the larger fire departments. He also stated he is willing to support a sales tax referendum.

4) Jason Keaton spoke again on behalf of the WR Davie Fire Department in reference to annexation. Mr. Keaton wants the Board to study ways to stop annexation from occurring. He stated annexation has a negative affect on his fire department. He has concerns about the Town of Mocksville possibly annexing 100 acres within his Fire District. He stated this will cause his department to lose that fire tax. He is requesting the fire funding discussion to be tabled. He stated all fire departments stations are going to have to be replaced in the next 15 years. He also supports sales tax referendum.

7. Presentations

There were two presentations this evening:

1) Going the Extra Mile (GEM) Awards - 6 employees received awards. County Manager, Brian Barnett mentioned how the GEMs program recognizes employees for "going the extra mile". The recipients are:

1) Andy Atwood (Public Utilities Service Manager) - Andy is always going above and beyond to help the staff on weekends late nights and holidays. He will always answer the phone to assist in any way no matter day or night. He is always researching new ideas, tools and parts to make everyone's job easier. Andy has built a great relationship with the community, contractors and staff. He will go above and beyond to meet with customers to help diagnose problems with their homes and businesses.

2) Teresa Carter (Social Worker III) - Teresa Carter investigated a report received related to a disabled elderly adult who had not been seen in several days. On arrival, the disabled elderly adult was face down on the floor, conscious but injured. The disabled elderly adult had fallen and been on the floor for 6 days. Davie EMS was called and the individual's vital signs were critical. The disabled adult was admitted to the hospital and adult services staff assisted in obtaining long term placement. There was also a dog in the house that had not eaten or been let out for 6 days. Social Worker Teresa Carter fed the dog and contacted Animal Control. The dog is currently up for adoption.

3) MaKayla Lawson (Income Maintenance Caseworker II) - MaKayla was on the phone with a client when the client's speech became impaired. The client stated she had a terrible headache and disconnected the call. MaKayla called the client back, and although the client

stated a friend was coming over to assist her, MaKayla believed the client sounded as if her condition was deteriorating. Believing the client was suffering from a Medical Emergency, MaKayla contacted emergency communications, who dispatched EMS to the client's home. The client was transported to the hospital where a medical procedure was performed to stabilize the client's condition. The client called MaKayla the following day and thanked her for her assistance.

4) Rhonda Mock (Public Health Nurse II) - Rhonda has busy programs and still was able to be a leader with innovation of the Covid-19 mass clinics. She was able to bring together and work with other departments in Davie County. Rhonda was a beacon of light to staff, volunteers during mass clinics, never showing anything but strength and leadership with patients and staff. She was able to keep the pediatric clinic running during all this and helping our pediatric patients that were sick and needing appointments. If that wasn't enough, she also helped with providing COVID-19 testing in the back parking lot during the coldest and hottest days for employees and members of the community. Rhonda was able to assist day care centers, long term care facilities, doctor offices and others with vaccines and testing sites. Then, even the littlest of patient's and their new mom would get 100% of Rhonda during a clinic visit teaching about COVID-19 safety, feeding, vaccines, teaching personal care, and just making them feel like the most important person to her. Rhonda is that nurse that all nurses should strive to be.

5) Meagan Tomlin (Veteran Services Officer) - Meagan's job description requires that she help veterans file claims and fill out paperwork. If she did just that she would help many veterans in our county. However, Meagan goes above and beyond that requirement. She not only helps them file claims, but takes the time to fully understand each veteran's situation so that she can help them, even when they don't know they are eligible. Often a veteran casually mentions something in conversation that will prompt Meagan to dig deeper and get them more benefits. From the thank you note of a veteran, "You read between the lines in that initial approval that mentioned that I might be eligible for something else...And with the accompanying VA health benefits, I won't have to work myself into the grave. I can now enjoy a few of those golden years." In addition, Meagan is not afraid to tackle the hard cases that other VSO's say are not worth the effort. For example a veteran had been denied a claim and the VSO in Ohio where he lived had told him he was fighting a losing battle trying to reopen the case. Instead of accepting that, Meagan spent a great deal of time digging through records and finally found a mention of a diagnosis. The claim was re-submitted and the VA approved his claim. He now receives \$905.04 each month due to her persistence. Meagan also takes the time to work with community agencies to get veterans help in other ways. In one instance she was able to assist with getting donated medical supplies for a veteran. In another she was able to help find a volunteer to drive a veteran to a medical appointment. In another instance she helped to get a veteran a set of replacement ribbons and medals because the veteran had lost his. There are many more examples of the difference that Meagan makes in the lives of Davie County Veterans. Perhaps it is best summed up by a quote from another thank you note of a veteran, "I can honestly say because of your knowledge, expertise and persistence you made the approval for health benefits become a reality for me. You were highly recommended and I have experienced why. You serve the Veterans and their families well and contribute to their well being and security in many ways."

6) Heather Strickland (Real Property Appraisal Specialist) - Heather embodies the terms “duty and service” in her daily work within the tax office. She has been committed to the work done here within the tax office since 2015 and has grown exponentially in her ability to lead and create within that time. Heather is in charge of all of the farm and forestry land within Davie County and makes sure that each parcel is taxed correctly. Up until recently, we as an office used a multi-part, lengthy process for how we assessed farmland, and this consumed much of Heather’s time. However, after taking initiative and meeting with our tax software provider, Heather was able to go above her required duties and create a more efficient process within our office and subsequently teach others in the office the new process for farm values. This new method has cut the valuation of farm land into ¼ of the time it was taking prior. Heather took the lead to initiate and innovate a new process within our office that is not only saving us time but helping us be more accurate and effective as a whole. Heather was commended by the Tax Administrator for finding ways to create efficiency within our office. We as an office are proud of the innovation that heather has brought to our team.

2) Partners Health Management Quarterly Presentation - Jackie Copeland - presented his quarterly update to the Commissioners on how Partners Health Management has served the residents needs in Davie County.

8. Clarification of 8/1/2022 Motion on Action Item 7 Public Hearings, number 3, Zoning Text Amendment and Affirmation of Prior Vote

Clarification of 8/1/2022 Motion on Action Item 7, Public Hearings, number 3, Zoning Text Amendment and Affirmation of Prior Vote - County Attorney Ed Vogler explained after reviewing the August 1, 2022 meeting he had concerns about the perception of the motion made in reference to Zoning Text Amendment. He is requesting the Commissioners who were present for that vote (Blakley, Renegar, Finney, Poindexter) to re-affirm the motion and their subsequent vote by a show of hands. The motion was: to approve the amendment section 155.001 Definitions, Agribusiness and Agriculture as the amendment promotes public health, safety and general welfare; is consistent with all applicable adopted plans and the Board considers the action reasonable and in the public interest; that said approval furthers the goals, objectives, actions and policies of the Comprehensive Plan and Growth Enhancement Strategy by strengthening support for agricultural economic development. **AGRIBUSINESS.** Any individual, partnership, corporation or organization primarily supplying services or goods (such as equipment, feeds or supplies) to producers, or marketable agricultural products, including greenhouses, nurseries, farm cooperatives and the like, which are not otherwise specifically defined as agriculture by the North Carolina General Statutes. ***In addition, Agribusiness shall include the sale of farm and seafood food products and other agricultural products which are customarily sold at local “Farmer’s markets” located throughout the States of Virginia, North Carolina and South Carolina and at Certified Farm Stand.***

AGRICULTURE. Land or structures primarily used for cultivating soils, producing crops, or raising livestock; the storage, processing or sale of products; or as otherwise defined by the

North Carolina General Statutes. Structures customarily accessory to agricultural uses and located on the same parcel as an agricultural use shall be included in this definition. ***In addition, Agriculture shall include the sale of farm and seafood food products and other agricultural products which are customarily sold at local “Farmer’s markets” located throughout the States of Virginia, North Carolina and South Carolina and at Certified Farm Stand.***

Each of the four commissioners in attendance at the August 1, 2022 meeting raised their hand in affirmation of the statement Mr. Vogler read in reference to Zoning Text Amendment number 3 initially voted upon at the August 1, 2022 Board of Commissioners meeting.

10. Old Business

Prior to the discussion about Fire Funding methods, Commissioner Jones asked to speak about the issue of annexation prior to Cana Road project. Commissioner Jones wants to know what are the Commissioners allowed to do? Are there options that allow annexation? Would it allow for what they want to take place without removing from WR Davie revenue rolls? How can everyone be satisfied, that it won't damage or give us a pathway? County Attorney, Ed Vogler will investigate the annexation rules and will issue a report to the Commissioners.

Commissioner Jones then spoke about fire funding. He stated fire funding has been an ongoing issue. He questioned if we should put together a blue ribbon committee that would include members of staff and fire partners, folks involved in taxation, that would allow us to assess and look at different modes of how distribute funds. He would like to get some different thoughts and find the best mode to distribute the tax dollars.

Old Business discussed this evening:

Fire Funding Allocation - Assistant County Manager/Chief Financial Officer, Robin West then presented information about 4 possible scenarios about fire funding. Ms. West stated the funds allocated are from fund balance.

\$492,557 Fire Funding Models

1. All 13 units get an equal share of the \$492,557 = \$37,889 per unit (would bring base to \$250,000)
2. Bring Rescue Squad funding to \$300,000 and divide the rest amongst the base units
 - a. DRS = \$87,889
 - b. 9 Base Units \$404,667 = \$44,963 per base unit
3. \$165,000 to Advance, Mocksville, and Smith Grove (\$55,000 per unit); Split remaining \$327,557 to remaining 9 base units and DRS (\$32,755 per unit)
4. Bring DRS to \$300,000 (\$87,889); Bring 9 base units to \$250,000 (\$37,889 per unit); divide remaining \$63,667 to the Advance, Mocksville, and Smith Grove (\$21,222 per unit) recommendation from study from two years ago.

Commissioner Finney stated the County needs a better agreement with the Town of Mocksville in reference to fire funding. Commissioner Finney also stated Advance Fire Department has a fire district and has not asked for funds. She would like to move the base rate up for the fire departments. She stated she would vote for option 2.

Vice Chair Renegar mentioned the fire study issued by Mr. Bost had the goal to get all fire departments base funding to \$250,000. He stated the County needs to take steps as we can afford to take those

steps. He mentioned he supports item #1. He then questioned Commissioner Jones if he was suggesting tabling this item? He has concerns this issue has been discussed for a long time.

Commissioner Jones stated he would like to table this item for a minimum of 30 days. He is leaning towards option #4. He desires for the fire departments to have base funding of \$250,000. He also would like for the Rescue Square (who he feels it is an issue outside of the fire department funding) to receive \$300,000.

Commissioner Jones made a motion to discuss this item at the October 3, 2022 meeting. Commissioner Poindexter seconded the motion. All were in favor, and the motion passed 5-0 (Blakley, Renegar, Finney, Jones, Poindexter).

1. Fire Funding Allocation

11. New Business

There was no New Business discussed this evening.

12. County Manager's Report

County Manager, Brian Barnett offered the following report:

Mr. Barnett mentioned August 1st was his fire meeting in Davie County. He then introduced/welcomed new Department Director Johnny Easter, Planning and Development Director. Johnny mentioned his 25 year career and said he looks forward to building relationships here in Davie County.

Mr. Barnett then introduced the new Elections Director, Melissa Parker. Melissa mentioned she has been working for the County for 11 years now and is excited to take on this new task. Melissa introduced her new Deputy Director, Cindy Kirkus.

Early voting starts 10/20/2022.

Mr. Barnett congratulated the GEMs award recipients and thanked the GEMs award Committee.

A rendering of the proposed new EMS station (#4) is on display. Should there be any questions about the new station, please speak with Joseph Ashburn, Interim EMS Director.

13. Commissioners' Comments

The Commissioners offered closing remarks, thanking those for their attendance in this meeting, congratulated the GEMs award winners as well as thanking staff and volunteers for their hard work. The Commissioners also mentioned their desire to increase fire department funding.

A special thanks was expressed by Vice Chair Renegar on behalf of Dr Slate who was honored last month as he celebrated his 100th birthday. Dr. Slate very much appreciated the celebration of his birthday.

14. Adjourn

A motion was made by Commissioner Poindexter at 7:22 p.m. to adjourn this evening's meeting. Commissioner Finney seconded the motion. All were in favor, and the motion passed 5-0 (Blakley, Renegar, Finney, Jones, Poindexter).

Payton Brown - Summer Intern, spoke about her experience as an intern with the County of Davie. Payton is attending high school. Payton expressed her appreciation to the many departments she visited/toured. Payton has created a video diary of her experience in hopes of gaining interest of other high school students who may have an interest in an internship with Davie County.

7. Public Comment Period

There was one person who signed up for Public Comments

1) Dr. Darrell Nelson, Davie County EMS Medical Director, spoke in reference to Davie County EMS and expressed his concern over previous public comments stated about the EMS service. Dr. Nelson mentioned the quality of care received in Davie County is top notch, EMS staff have received many awards based on care given to patients in route to the hospital. He also mentioned staffing has been a crisis area for many EMS but it has not been an issue here in Davie County. Dr. Nelson stated EMS is a valuable asset to the community who have high standards. The employees are tested and trained often. He mentioned EMS are often placed in dangerous situations and thanked them for their service.

1. Public Comments Period Rules

8. Public Hearings

There were three Public Hearings:

1) Zoning Map Amendment - 2022-04 - Miller Tree Service
Planner II, Adam Barr presented the information about Miller Tree Service, Inc. who has applied to rezone approximately 6.77 acres from Residential Agricultural (R-A) to Highway Business (H-B). The subject properties are located at 327 and 337 Hillcrest Drive at the intersection of Hillcrest Dr and NC HWY 801 S. The properties are further described as Davie County Tax

Parcel F800000069 and F800000068. Mr. Barr stated the Planning Board voted a recommended approval by a 4-2 vote.

The Public Hearing was opened at 6:30 p.m. by the Chair. County Attorney, Ed Vogler, reviewed the rules for Public Hearing Comments to those in attendance.

1) Jake Miller of Miller Tree Service, spoke in favor of the zoning request as he wants to move his tree service to the property on Hillcrest Drive. He stated the business is currently located on Bailey Road. He is seeking a place to park his trucks and have an office for his business. Mr. Miller was asked why he did not request special use zoning; Miller stated he did not know this was an option. Miller plans to use a large portion of the land for parking. He also stated the majority will not be suitable for much more than a parking lot. He also stated the intent is to remodel the old farmhouse on the property and the driveway will be on Hillcrest Drive, not on 801.

2) Tom Browder - lifelong resident of Davie County and neighbor to this property does not want the re-zoning to occur. He does not feel this property is suitable for that type of business. He stated Hillcrest Drive is completely residential.

No one else came forward to speak and the Public Hearing was closed at 6:45 p.m. by the Chair.

Vice Chair Renegar made a motion to defer this item until the September 12, 2022 meeting. Commissioner Poindexter seconded the until next meeting September 12, 2022. The motion passed 3-0 (Renegar, Finney, Poindexter) (Chair Blakley has been recused from voting on this zoning request).

2) Zoning Map Amendment - 2022-05 - Delmar McDaniel

Planner II, Adam Barr presented the information about the zoning map amendment request from Delmar McDaniel who has applied to rezone approximately 2 acres from Residential 12 (R-12) to Highway Business (H-B). The subject properties are located at 2519 and 2531 US HWY 601 S. The properties are further described as Davie County Tax Parcel L5140A0021 and L5140A0022. Mr. Barr stated the area near this request is zoned predominantly r12 and the Planning Board voted unanimously for approval for this request.

The Public Hearing was opened at 6:49 p.m. by the Chair. County Attorney, Ed Vogler, reviewed the rules for Public Hearing Comments to those in attendance. No one came forward to speak. The Chair closed the Public Hearing at 6:50 p.m.

Commissioner Poindexter made a motion to approve as the proposed zoning amendment is consistent with the Davie County Comprehensive Plan because:

1. The Comprehensive Plan policy goals to limit rural area commercial development to local convenience stores, farm supply stores, and generally accepted rural retailing establishments and require them to be clustered near road intersections. Therefore, we find this zoning amendment is reasonable and in the public interest because it supports the Comprehensive Plan policies and maps above and because:

1. The property's classification of Commercial/Mixed Use on the Comprehensive Plan Map.
2. The existing of Highway Business zoning in the vicinity.
3. The property's location along a major intersection.

Vice Chair Renegar seconded the motion. All were in favor and the motion passed 4-0 (Blakley, Renegar, Finney, Poindexter).

3) Zoning Text Amendment - Review of Text Amendment 155.001 Definitions - The Board will review a text amendment to the Zoning Ordinance in sections 155.001 Definitions. Planner II, Adam Barr spoke about the text amendment changes. He mentioned this amendment will allow for the expansion of items sold at businesses. The proposed definitions are as follows:

AGRIBUSINESS. Any individual, partnership, corporation or organization primarily supplying services or goods (such as equipment, feeds or supplies) to producers, or marketable agricultural products, including greenhouses, nurseries, farm cooperatives and the like, which are not otherwise specifically defined as agriculture by the North Carolina General Statutes. ***In addition, Agribusiness shall include the sale of farm and seafood food products and other agricultural products which are customarily sold at local "Farmer's markets" located throughout the States of Virginia, North Carolina and South Carolina and at Certified Farm Stand.***

AGRICULTURE. Land or structures primarily used for cultivating soils, producing crops, or raising livestock; the storage, processing or sale of products; or as otherwise defined by the North Carolina General Statutes. Structures customarily accessory to agricultural uses and located on the same parcel as an agricultural use shall be included in this definition. ***In addition, Agriculture shall include the sale of farm and seafood food products and other agricultural products which are customarily sold at local "Farmer's markets" located throughout the States of Virginia, North Carolina and South Carolina and at Certified Farm Stand.***

The Public Hearing was opened at 6:55 p.m. by the Chair. County Attorney, Ed Vogler, reviewed the rules for Public Hearing Comments to those in attendance. No one came forward to speak. The Public Hearing was closed at 6:56 p.m.

Commissioner Finney made a motion to approve the amendment to section 155.001 Definitions, Agribusiness and Agriculture as the amendment promotes public health, safety and general welfare; is consistent with all applicable adopted plans and the Board considers the action reasonable and in the public interest; that said approval furthers the goals, objectives, actions and policies of the Comprehensive Plan and Growth Enhancement Strategy by strengthening support for agricultural economic development. Commissioner Poindexter seconded the motion. All were in favor, and the motion passed 4-0 (Blakley, Renegar, Finney, Poindexter).

Mr. Johnny Lambert
Director
Davie County Public Utilities Department
298 E. Depot Street, Suite 200
Mocksville, NC 27028

**Re: Sole Source Equipment Recommendation
Water Supply Improvements Project**

Dear Mr. Lambert:

This letter is to provide the basis for the recommended specification of certain brands of equipment and subcontractors that have no equal for the Davie County Water Supply Improvements Project.

Equipment

North Carolina General Statute 133-3 states: "*where it is impossible to specify performance and design characteristics for such materials and impossible to cite three or more items due to the fact that there are not that many items of similar or equivalent design in competition, than as many items as are available shall be cited.*" Hazen and Sawyer has followed the statute during the design process for the project. However, the design includes many equipment items which are recommended to be sole-sourced: Prominent chemical metering pumps, Hayward Flow Control true union ball valves, and Real Tech, Inc. UV transmittance analyzers.

Prominent Chemical Metering Pumps

The new Chemical Facility at the Cooleemee WTP will include new chemical storage and feed systems for ferric sulfate, sodium hypochlorite, sodium hydroxide, corrosion inhibitor, and fluoride. Each chemical system will include metering pumps to accurately dose the chemical to various application points. Prominent Fluid Controls, Inc. chemical metering pumps are able to meet the chemical feed rate ranges such that only two pump models will be required: the Sigma 2 16130 mechanical diaphragm metering pump and the gamma 1604 solenoid diaphragm metering pump. Other metering pumps that were explored require additional pumps to either meet the full feed rate ranges or provide chemical compatibility with pump materials. Sole-sourcing the Prominent chemical metering pumps will allow for cost savings in the number of pumps required and standardization across the WTP for spare parts and tools.

Job no. 31420-004

Hayward Flow Control Ball Valves

The County utilizes Hayward Flow Control true union ball valves throughout both the existing Cooleemee WTP and the Sparks Road WTP. Each chemical feed system at the new Cooleemee WTP is expected to have between 30 and 60 ball valves. Sole-sourcing the Hayward Flow Control true union ball valves will allow the County to consolidate spare parts inventory and tools with the Sparks Road WTP as well as leverage existing operation and maintenance knowledge.

Real Tech UVT Analyzer

A ultraviolet transmittance (UVT) analyzer is needed for control of the new UV disinfection system. The Real Tech UVT analyzer has a track record of consistent performance in the industry. This is important to the County since the UV disinfection system was proposed as an alternative to other pre-treatment technologies required by North Carolina Rules Governing Public Water Systems (15A NCAC 18C .0601). Also, the County may elect to obtain disinfection credit for the UV disinfection system in the future as part of the disinfection CT required by USEPA and North Carolina Public Water Supply Section regulations. Raleigh Water was the first water system in NC to obtain disinfection credit for the UV disinfection system. Raleigh Water initially used a UVT analyzer manufactured by another supplier and encountered multiple instances where the UV system would have been deemed out of compliance due to faulty readings of the UVT analyzer. Raleigh Water switched to the Real Tech UVT analyzer and has had no compliance issues since. Therefore, we recommend that the County sole source the Real Tech UVT analyzer since it is a critical component of regulatory compliance for the new Cooleemee WTP.

Hazen will follow the steps outlined in the North Carolina Local Government Law Blog and allow submittal of any alternate items for our review provided they are submitted at least 21 days prior to the scheduled bid opening.

Subcontractors

Fortech, Inc. is the recommended integrator for the Cooleemee WTP. Fortech, Inc. has done extensive instrumentation and controls work at both the existing Cooleemee WTP and the Sparks Road WTP and is familiar with the controls configuration and requirements. Fortech, Inc. is a reputable company based out of Charlotte, North Carolina and has proved to be a reliable partner for the County in the past. Therefore, we recommend that the County sole source Fortech for providing instrumentation and SCADA system equipment and programming for the new Cooleemee WTP to ensure consistency in controls throughout the water system.

We recommend that the County sole source the equipment and subcontractors mentioned above since they provide the best value for Davie County and the water system. Please let us know if you have any questions or need further information.

August 22, 2022

Mr. Johnny Lambert
Director
Davie County Public Utilities Department
298 E. Depot Street, Suite 200
Mocksville, NC 27028

**Re: Pre-Procurement Equipment Recommendation – Raw Water Pumps
Water Supply Improvements Project**

Dear Mr. Lambert:

This letter is to provide the basis for the recommended specification of Peerless horizontal split-case pumps as Primary Raw Water Pumps for the Davie County Water Supply Improvements Project.

North Carolina General Statute 133-3 states: "*where it is impossible to specify performance and design characteristics for such materials and impossible to cite three or more items due to the fact that there are not that many items of similar or equivalent design in competition, than as many items as are available shall be cited.*" Hazen and Sawyer has followed the statute during the design process for the project. However, the design includes raw water pumps which are recommended to be pre-procured by the County.

The County utilizes Peerless Pump Model 8AE13 horizontal split case pumps at the existing Primary Raw Water Pump Station. These existing pumps are being replaced within the existing pump station structure as part of this project, and Peerless Pump has proposed the same model of horizontal split case pump (8AE13) for the replacement pumps. Other manufacturers have proposed pumps with higher total weights, different suction flange sizes, and different pump dimensions than the existing pumps for this application. Sole-sourcing and pre-procuring the Peerless Pump Model 8AE13 horizontal split case pumps will allow the County to utilize the existing monorail system to remove and install the pumps, as there are not enough structural details available on the pump station structure to recommend using the existing monorail system to install pumps heavier than the existing pumps. Sole-sourcing and pre-procuring the Peerless Pump Model 8AE13 pumps will also allow the County to reuse the existing suction piping, suction valving, and pump pads without modification, since the suction flange size and pump dimensions of the replacement pumps will match those of the existing pumps. This will allow for cost savings, reduce the duration of the pump station outage that will be required to complete the modifications, and leverage existing operation and maintenance knowledge.

Given the current volatility in the construction market, Peerless Pumps cannot provide a quotation valid for more than 45 days. This will not align with the bidding phase and subsequent approvals. The bid period will be 39 days. The County must then submit the construction bids to the funding agencies for review and approval prior to the Board awarding the construction contract. The overall schedule from advertisement of bids to award of the construction contract may likely take 3 to 4 months. Therefore, it is in the County's best interest to pre-procure the pumps and lock in pricing sooner. We recommend that the

Job no. 31420-004

County pre-procure the Peerless pumps for the Primary Raw Water Pump Station since they provide the best value for Davie County and the water system. Please let us know if you have any questions or need further information.

Garabedian, John - Joint Resolution, 33820.1, 6-30-22

JOINT RESOLUTION AND MUTUAL AGREEMENT
ADOPTED BY
THE GOVERNING BOARDS OF THE TOWN OF MOCKSVILLE AND DAVIE COUNTY

WHEREAS, Robert Eugene Brown and wife, Lisa Ann Brown have petitioned the Board of Commissioners of the Town of Mocksville (herein the “Town”) and the Board of Commissioners of Davie County (herein the “County”) to enter into a mutual agreement to assign zoning jurisdiction over their property consisting of approximately 98 acres of land located in Davie County, North Carolina off of Tennyson Lane described in a deed recorded in Book 1163, Page 518 of the Davie County Registry, North Carolina, Tax Map H400000021, Pin # 5739470199 (herein the “Property”);

WHEREAS, the zoning jurisdiction of the Property is split between the County and Town with the portion zoned by the County being zoned Residential - Agriculture (“RA”) and the portion zoned by the Town being zoned Open Space Residential (“OSR”) as shown on the respective zoning maps of the County and the Town;

WHEREAS, NCGS§160D-203 empowers the County and the Town to assign zoning jurisdiction for the entire Property to the County by mutual agreement as provided for in Article 20 of Chapter 160A of the General Statutes; and

WHEREAS, the Town and the County determine that it is in the interest of the public good that the zoning jurisdiction over the Property be consolidated in the County with the zoning classification for the entire Property being classified as RA under the Zoning Ordinance of the County.

NOW THEREFORE, Pursuant the authority granted under NCGS§160D-203 and in compliance with Article 20 of Chapter 160A of the General Statutes,

Be it Resolved by the Board of Commissioners of the Town of Mocksville the following effective on the date set forth below and upon the execution of the consent of Robert Eugene Brown and wife, Lisa Ann Brown; and

Subject to the prior adoption by the Board of Commissioners of the Town of Mocksville of the Resolution and Mutual Agreement, Be it Resolved by the Board of Commissioners of Davie County the following effective on the date set forth below and upon the execution of the consent of Robert Eugene Brown and wife, Lisa Ann Brown.

RESOLUTION AND MUTUAL AGREEMENT

1. The County of Davie shall have the planning and development regulation jurisdiction for the entire tract of Property described above and in a deed recorded in Book 1163, Page 518 of the Davie County Registry, North Carolina, Davie County Tax Map H400000021, Pin # 5739470199.

2. The zoning classification for the entire Property shall be Residential - Agriculture (“ RA”) as that classification is regulated under the applicable provisions of the Zoning Ordinance of Davie County.
3. This Agreement shall last until such time, if ever, the County and Town mutually agree otherwise by appropriate action.
4. This Resolution and Mutual Agreement shall only be applicable to zoning and development regulations and shall not affect taxation or other nonregulatory matters.
5. This Resolution and Mutual Agreement shall be recorded in the Office of the Register of Deeds of Davie County, North Carolina not later than fourteen (14) days of the date the County adopts this Resolution and Mutual Agreement subsequent to the adoption thereof by the Town.
6. This Resolution and Mutual Agreement shall not become effective until consented to by Robert Eugene Brown and Lisa Ann Brown.

Budget Allocations from the State of NC

BACKGROUND/PURPOSE OF REQUEST:

The State of North Carolina included the following appropriations in the State Budget for Fiscal Year 2022-2023 for Davie County:

<u>Direct Allocations:</u>	<u>Amount</u>	<u>Staff Recommendation</u>
Water And Sewer Infrastructure Funds - State Fiscal Recovery Act to DEQ for Water Infrastructure Fund	\$8,000,000	\$1.5M for Dutchman Creek lift station improvements; \$4.7M for Town of Mocksville and \$1.8M for Town of Bermuda Run
Davie County through OSBM for public purposes	\$700,000	EMS Station #4 construction
Davie County Sheriff's Office	\$80,000	Equipment for Sheriff's

		office
Total	\$8,780,000	
Total for Davie County's Use	\$2,280,000	

All allocations are SCIF (State Capital Infrastructure Fund) grants administered by the Office of State Budget and Management except for the Water and Sewer Infrastructure funds that are through the Department of Environmental Quality. We have contacted DEQ about a direct allocation to the Towns for their requested projects instead of going through the County. All funds must be used for property already owned by the County or for the purchase of real property, acquisition of easements, and the purchase of equipment and vehicles.

FISCAL IMPACT: \$2,280,000 of State Allocated funds to be used for Capital needs by the County. These funds will be reflected in the annual budgets of the General Fund and Public Utilities Fund and the related Capital Improvement Plans for projects over \$200,000 with a construction phase longer than one year.

PROCLAMATION OF SENIOR CENTER MONTH

County of Davie, NC

Whereas, older Americans are significant members of our society, investing their wisdom and experience to help enrich and strengthen our community; and

Whereas, Davie County Senior Services has acted as a catalyst for mobilizing the creativity, energy, vitality, and commitment of the older residents of Davie County; and

Whereas, through the wide array of services, programs, and activities, senior centers empower older citizens of Davie County to contribute to their own health and well-being, and the health and well-being of their fellow citizens of all ages; and

Whereas, during the pandemic Davie County Senior Services has been a community partner in ensuring that our most vulnerable citizens, many with underlying medical conditions – are cared for and able to stay connected, safe and healthy; and

Whereas, Davie County Senior Services affirms the dignity, self-worth, and independence of older persons by facilitating their decisions and actions; tapping their experiences, skills, and knowledge; and enabling their continued contributions to the community;

Now, therefore, I, James Blakley, Chair, Davie County Commissioners, do hereby proclaim September, 2022 National Senior Center Month.

And call upon all citizens to recognize the special contributions of the senior center participants and the special efforts of the staff and volunteers who work every day to enhance the well-being of the older citizens of our community.

Signed this 12th day of September, 2022
