3. Sign Discussion – We have one 12 x 6 sign & three 24 x 18 signs. Marsha got quotes from 2 places. Correction Enterprises & Tri County. Correction Enterprises are much cheaper and they will be the same size as before. 10 of each sign. There is a tobacco grant I can fill out. We have about \$200 in our budget that we could use for part of the signs. \$444 is the total for the signs. Marsha has said she would pick up the signs if needed. Marsha will check with Correction Enterprises to see if they are the same signs. Lynn asked if we could apply for a Farm Bureau grant to pay for the signs. Bob Crews made a motion & Lynn Yokley second. Motion carried. We proceed as to what we discussed. Marsha will get figures to Eddie by February 8 to see if Farm Bureau will give us money.

4. Ordinance Change – NCDA sent another sheet to go with the ordinance. This sheet tells you where to make the changes. Discussed and went through the ordinance to see what the changes are. These changes will have to be approved by the County Commissioners. Henry Walker made a motion to approve the changes & if there are any changes Marsha has the authority to change it. Bob Crews seconded. Motion approved. County attorney will look at the changes then it will go to the commissioners.
