November 8, 2022

Several issues that occurred at precincts were discussed. They were resolved by staff and election officials.

The Board of Elections members left to visit the 14 precincts and to deliver the absentee lists.

The Board reconvened at 5:00 pm.

5 ballots arrived today which were spoiled due to lack of signatures/witness signatures.

The Board reviewed 42 properly executed absentee ballots, including 2 military and 4 OVR, which were duplicated. **Motion: Luther moved that the properly executed ballots be approved. Passed.**

The total absentee ballots submitted is 496.

The three One-Stop tabulators and the absentee ballot tabulator were closed and the resulting tapes printed, reviewed, and signed by the board at 6:30 p.m.

The Board remained at the office until all precincts were counted. Without incident, results were tallied and available on the web site by 11:00 p.m.

Respectfully submitted,

Carole Demmy, on behalf of the Board of Elections
